Tools of Superior Quality

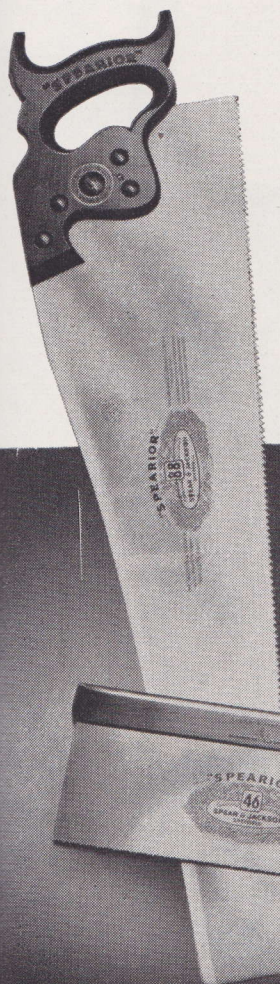

SANDERSON tools are best sellers because users know and appreciate their superior quality. "Pax", "Sanbold", and "Loxley" Wood Saws are brands with a world-wide reputation; "Keraunos" High Speed Steel Hacksaw Blades are famous for their consistency and reliability, especially for repetition work and the cutting of extra hard metals; "Pax" Tungsten Blades are relied upon by hundreds of engineers for general workshop and garage use; "Tenco" Tool Bits bring to every lathe high performance Cobalt Tool Steel in easy-to-use form. Wholesale and export enquiries invited.
